KAYSVILLE BOASTS HALF-MILE TRACK

Opening Program Will be Held There on Monday, July 25.

EIGHT EVENTS ON THE CARD

Trots, Paces, Dashes and Foot Races Scheduled-Finest Track In the State.

The Kaysville Trotting association's race track at Kaysville, Davis county, will be opened Monday, July 25 with the best program that has been offered in a harness meet in years. There will be three harness races and a purse of \$400 has been offered for the free-forall trot and pace. Between the heats two dashes will be run and two foot races will also be "sandwiched" in to complete the afternoon of sports.

The half-mile track with its grandstand and stalls represents an investment of \$10,000. The association intends to hold matinee races every two tends to hold matinee races every two weeks and horsemen from Salt Lake and Ogden have agreed to enter their horses and race on the track. The new track is situated just south of Kaysville, partly within the city limits, on the Salt Lake & Ogden electric railway. Tickets will be sold over the road for a stopover at the race track or the Lagoon. The spacious grandstand and roomy stalls provide excellent accommodations for horse and patrons. The entries for the harness races will

Eighth Race—Foot race, one-fourth ite, purse \$10, four to enter, three start. In Kaysville the day will be declared

a holiday and a program will be held at 10 o'clock in the morning to start the day off. Sports for the children will be held in the morning. A ball game will be played between the Kays-ville nine and picked team. The races will be called at 2 o'clock in the after-

noon.

The track was built by horsemen who love the "gentlemen's horse race game" and breeding farms will probably be started in Davis county. The association was organized some time ago with Dr. J. E. Moreton president: F. J. Layton, secretary and Lambert Blamires, John Graham, Dr. J. H. Grant and Riley Kent, directors.

Riley Kent, manager, built the track and it is considered an excellent piece of work Although it is new, the horsemen claim that some fast time can be

SPEED PROGRAM BILLED FOR MOTORDROME

New Riders and New Machines Will Be Seen at Race Meet at Wandamere.

With 26 riders lined up for the starter's and two new machines on the track. the motor races at the motordrome tonight promise to be the best card seen on the new speedway since its opening. Among the new riders will be Geo. Clayton, the Denver crack motor rider, who comes to Salt-Lake to ride the balance of the season. A number of new amateurs will also appear for the first time this evening.

or the season. A state of the first time this evening.

The program tonight consists of a number of events in which all the best men and fastest machines will appear. Chief interest, however, centers in the match race between DeRosier and Whittier, and for the first time since the opening of the track, Whittier will meet DeRosier on the fastest machine ever built by the company Whittier represents. Another feature will be the exhibition by Frank Irving, the crack local automobile driver. The entire track has been braced for automobiles and Irving will be able to turn on the power with a view of lowering all automobile records for a track the size of the motordrome.

The professionals meet in a lo-mile handicap. In this event the crack riders of the motordrome will all appear in competition and with DeRosier riding from scratch there should be some fast time made. The three crack trade amateurs, Balke, Seymour and Ward, all riding seven horsepower machines, will try conclusions in a six-mile open. The local amateurs meet in a five-mile and three-mile race. In the latter two events the riders have been classified according to the horsepower of the machines they ride.

BETTING RING WILL SOON BE CLOSED OUT

Chicago, July 16.—No betting will ever be attempted on a race track in the state of Illinois, according to John Condon, owner of Harlem race track.

Mr. Condon's remarks were made in reply to the query whether he intended to open Harlem track in the immediate future, as was reported yesterday.

"Whether I or anybody else around Chicago will try to race this year, I cannot say," said Mr. Condon. "However, so far no plans have been made to open up. Eventually. I think the pari-mutual machines will solve the problem. Open betting is a thing of the past, but I do not think the public or the authorities will object to the machines after they have been given a trial.

"Should I start up again I certainly shall favor the machines, but the real conditions are in such a chaotic state at present that there is no telling which way the cat will jump."

MOTOR PACED RECORD

Jackie Clarke Also Ties World's Record at Saucer Track Before

ord trial exhibitions that has been held on the saucer track this season, Ray F. Duer of Los Angeles, during the Friday evening race meet, broke the world's record for three miles, held by Hardy Downing, since June 7, riding the distance in the fast time of 3:59 3-5. Duer rode hard from the start and it was evident that he would lower the record. He dent that he would lower the record. He put on steam near the close of the second mile, but the pace was apparently too stiff and Duer lost it. His easy riding suddenly changed to a desperate effort to regain pace and after sprinting for an entire lap he caught his motor and continued in record-breaking time, Jackie Clarke again demonstrated his speed in a mile unpaced against time, the record being 1:52-5 made by W. E. Samuelson during the season of 1501. Clarke rode the first four laps easy and the crowd expected him to lose out in his attempt, but Clarke cut off seconds for each of the remaining laps and equaled Samuelson's record.

The top riders in the amateur ranks again had things their own way in the two-mile lap handleap event. The scratch men caught the leaders after half a mile sprint and rode easy until the bell lap. Brodbeck jumped and took a lead but Diefenbacher beat him to the tape from the last turn. Berryessa was third and Huey fourth. The amateurs rode three miles and six laps in the unknown distance race and the winners were the same as the two-mile lap race except Gemple came fourth.

The final event of the evening was the three-mile "western championship" professional which was won by Clarke, McFarland second, Demara third, and Lawson fourth. The lead riders worked hard for lap money, but the winners rode easy waith: "for the final dash. McFarland took the jump so fast that it looked as though Clarke would not even catch him, but a few extra hard pushes on the pedals shoved Clarke in the lead at the tape. Clarke and McFarland and Lawson and Pye teamed.

COUNCIL PASSES ORDINANCE TO BAR PRIZE FIGHTS

Los Angeies, Cal., July 16.—By making it filegal to charge admission fees to ring contests, the legislation committee of the city council believes it has found a means of barring prize fights from Los Angeles without conflicting with the state law relative to boxing.

The committee has voted to recommend the passage of an ordinance embodying this anti-prize fight feature at the next meeting of the council Monday.

The passage of the ordinance would prevent the weekly card of entertainment al Naud Junction. At the same time it would not interfere with amateur boxing matches in legitimate athletic clubs.

FIGHT MAY BE STOPPED.

Seattle, Wash. July 15.—The Abe Attell-Pete McVeigh fight at the Grand theater, July 25, will not be interfered with by the police as long as it continues to be a sparring exhibition.

Chief Wappenstein said today: "A finish contest will not be permitted, and a policeman will jump into the ring the minute the battle appears to be on the road to a knockout."

Sherif Hodge must be reckoned with however, and he says that all sparring matches must be limited to 16 rounds.

SEVEN ENTRIES IN **CROSS COUNTRY FLIGHT**

The Belgian Aviator Who Carried Off Prizes in Egypt Coming to America.

New York, July 16 .- J. Olieslaegers, the Belgian aviator, who recently carried off the speed and height prizes at the aviation meets in Heliopolis, Egypt, Nice and Bologne, has entered the New York and Bologne, has entered the New York Times-Chicago Evening Post aeroplane race, which will start from Chicago on Oct. 8 for a purso of \$25,000. This makes the seventh formal entry received by The Times since the conditions were announced on July 6. The other entries are those of Charles K. Hamilton, Glenn H. Curtiss (or representative). Captain Thomas A. Baidwin, J. C. Mars, Oscar P. Hollings and J. A. D. McCurdy, the latter a Canadian. Hubert Lathan, who is to represent France, in the contest for the international speed trophy at Garden City, L. I. on Oct 22, has already cabled that if he can get a reliable machine for such a long cross-country race, he may compete.

M. Olleslaegers will probably employ a Bieriot monoplane in the Chicago-New York race. This makes the first probable monoplane entry in this contest. This will make the contest the first in the United States in which aeroplanes of one and two surface types have competed with the biplane.

Charles K. Hamilton was greatly pleased to learn of the entry of M. Olleslaegers. He is hoping that more of the foreign experts will see fit to enter the contest. He believes there will be some surprises in store for these foreigners and that the American people will find that the aviators of this country are at least the equals of the best the old world can furnish.

AMERICAN AVIATORS BEST.

AMERICAN AVIATORS BEST.

"Our people do not realize," he said last night, "that American aviators have done more cross-country flying than the aeronauts of any other nation, particularly when the comparative scarcity of our flyers is taken into account. Most of the notable stays in the air that have been made in this country, have been made in cross-country flights. This is just the opposite to European methods. For instance, my flight from New York to Philadelphia of 1 hour and 50 minutes, was across 86 miles of deep water, cities and towns and rough country. The records recently set up at Rheims, where 200 miles was covered in one continuous flight, saw the aviators round a course just two and a half miles in circumference. The effect of flying over such ground as that, as compared with travel over rough and diversified country, should be taken into account. The aviator who is touring above fine landing ground, has hardly any mental strain at all Flying across-country, however, the aviator must have every sense alert for engine trouble and he must be able to sense good landing places even before he has a chance to see them."

Cheyenne. Wyo. July 15.—John Entis, aged 69, the Stamford (Conn.) pedestrian who is after the Weston record across the continent, left for the west today, 20 days ahead of Weston's record. He carries a message from Mayor Gaynor of New York to Mayor McCarthy of San Francisco.

ENGLISH POLO PLAYERS WILL INVADE COUNTRY

New York, July 16—A team of English polo players will invade this country and compete in the 10 open American championship on the field of the Point Judith Country club at Narrangansett Pier, R. I., next month. While it has been expected that the team would come, it was only verified yesterday upon receipt of a cable message from London, England, stating that the 20 polo ponies belonging to the team were being shipped on the Minnewaska of the Atlantic transport line sailing from London today. port line sailing from London today. There was also a letter and from its contents it is understood that Lord Rocksavage and R. Greenfall will be members of the English team. KRAMER WINS RACE.

Providence, R. I., July 15.—National Champion Frank L. Kramer of East Orange, N. J., who lowered the world's bicycle record for 25 miles at New Haven last night, won a 25-mile race here tonight from a field of 25 starters. Kramor's time was 54:461-6. The record is 54:18. In a burst of speed at the tape, Chris Schiller of San Francisco won a two-mile open professional race. Scholer and Phil Wright of Salt Lake were tied in a quarter-mile professional race against time, both making the two laps in :261-5.

PONY RUNS AWAY, ANOTHER BREAKS DOWN

Talent Bumped on Sewell's Runaway And Fred Bent, Favorite, Who Died in Stretch.

As the ponies paraded by the judges' stand for the third race at Buena Vista Friday afternoon, the crowd saw the "squarest" horse race against time ever run when Sewell bolted and ran away for two miles. Although the official timekeeper did not clock the animal, the pony's time was fast enough to make him

timekeeper did not clock the animal, the pony's time was fast enough to make him favorite the next time out. In the betting, Sewell was second choice and carried considerable of the talent's money. Presiding Judge F. St. D. Skinner did not see fit to rule the horse off for "inconsistent" running and he held that Jockey Cahill was in no way to blame, although the backers took the mourners' bench before the horse finished the second mile. Arionette, il to 5, won the race without any trouble because Sewell was tired and got a bad start. Ocean Queen was second and Lyte Knight was third.

Galene Gale, 7 to 1, was disqualified for third place in the second race and given fourth. Chief Desmond was placed for show because Galene Gale fouled the animal in the stretch. Jockey Selden, who rode Gale, was not suspended, because Presiding Judge F. St. D. Skinner decided that the Jockey could not help it. There was some more grief for the talent and money for the bookles in this race when the favorite, Fred Bent, broke down and finished last. The horse was taken out in the paddock and shot, Mrs. Nugent, 6 to 1, without any backers, won the race with Captaln Burnett second at 4 to 1, and Chief Desmond third.

Roy Shumway, 16 to 1, galloped off with the first race and the "bookles" started ahead of the game. Electrowan was second and Glauous was third. The lavorite did not get a call and the bookmakers cleaned up everything on the race.

Burleigh, the favorite in the third race, happened to get across first but his price was 2 to 1 in a field of 10, which made him a prohibitive chance. The women in the grand stand liked Smiley Metzer, but the horse did not get a call and the betting messengers took most of their money. and the betting messengers took most of their money.

Helen Barbee, a 3 to 5 favorite at pro-hibitive odds, won the fifth race handily. Milt Jones was second and Balella was third.

Lady Panchita, a favorite in the last race, and a great choice of the women in the grand stand, was beaten by Marchmonet, 6 to 1 Tremagro was third.
